**Lutheran/Episcopal  
 Joint Ministry Update**

From: Sue Timmons, Chair of Calling Committee

**Job opportunity posted!**

Good Shepherd and St. Andrew's have been working with the Synod and Diocese to place postings on their websites. The Diocese and Synod websites are where most Clergy looking for new opportunities can find information. In our case, Good Shepherd and St. Andrew's have jointly posted on both websites.

The Southern Ohio Synod website refers postings as MSP- Ministry Site Profile Form. The Southern Ohio Episcopal Diocese refers their posting as OTM Profile-Office for Transition Ministry. In both locations Clergy interested in the position will contact the Diocese/Synod directly and a screening process will occur. Beginning February 1, 2017, a review of candidates will be made and it will be determined if the posting will be closed or extended depending on the number of candidates who have applied.

Once the Diocese and Synod have screened applicants, the Call Committee will begin the interview process with the goal of identifying one candidate for the process of local approval and final selection. If anyone has questions regarding this process please contact me.

### Sue Oesterle

Sue Oesterle was born and raised in Cleveland.

In 1987 she moved here with her daughter Nikki. It quickly became evident that St. Andrew's was where they wanted to worship and both were baptized here.

Her parents had moved here in 1979 after retiring so through the years St. Andrew's has become part of her family history.

Sue has served on the Vestry, sang in the choir, always helps with S.O.C.K.S., and currently is a member of the Altar Guild. She also enjoys keeping the church grounds in good shape as gardening is one of her hobbies.

Sue is a retired dental hygienist. Her time is now spent with her two grandsons, knitting, crocheting, reading, and walking with their dog Toby.

Sue's husband, Les, attends Unity Fellowship as does her son-in-law James Mavis, so many Sundays find her there.

Sue considers St. Andrew's a special to her and her family because most of the major events in their lives have been celebrated there.
